

EXTRA<sup>10</sup> WARRANTY PROGRAM

KEEP DRIVING,  
*we got you covered*

Your Maserati was built to perform at the highest level: no matter whether you're out for daily errands or on a cross-country adventure, you'll never have to compromise on the excitement you get from your car.

To make sure that you're always able to enjoy your Maserati experience without interruption, we have created the Extra<sup>10</sup> Warranty Program, that allows you to extend the warranty of the driveline components of your car through to the 10<sup>th</sup> year, with no limits on mileage.

What's more, you can always count on our Official Maserati Dealerships, with highly skilled Maserati technicians, and for extra peace of mind, this program also includes Maserati Mobility services.\*

\*Complementary mobility services are subject to regional restrictions.

## REQUIREMENTS

To benefit from all that the Extra<sup>10</sup> Warranty Program has to offer, there are a few other requirements:

- All routine and extraordinary maintenance operations required by Maserati are recommended to be duly performed by Maserati Service Network, as well as mandatory service and/or recall campaigns notified by Maserati.
- The vehicle systems must not have been involved in major accidents or have been tampered with.
- The vehicle must not have taken part in racing competitions.
- The vehicle must not be stolen.

The following exclusions also apply to the program:

- Routine maintenance and the cost of consumable materials or materials subject to normal wear and tear.
- Changes or deterioration of the paint, chrome plating, upholstery due to normal wear or inappropriate use.
- Faults due to improper use, accidents or use in racing competitions.

Specific checks may be necessary by the authorized Maserati Network for program validity confirmation. Please refer to your authorized Maserati Dealer for further details and additional information on activation, coverage and restrictions.
