# RALLY POWER STAGE

---

## Dates

22 September

Prepare to ramp things up – on and off the road. As you might expect, this full-day masterclass is mainly focused on the remarkably capable Maserati Levante, given its authentic all-terrain credentials. All other Maserati models also feature in this experience, however, and you will learn how a combination of individual skill and progressive technology keeps you perfectly

composed on low-grip surfaces and challenging inclines. When you do venture off-road and into the Varano circuit's private nature reserve, the Levante takes centre stage. With close guidance from your instructor, you'll take on a host of tasks that showcase the SUV's abilities, while bringing out the best out of you as a driver. But most importantly, you'll have fun, whatever your ability.

# RALLY POWER STAGE
