THE ART OF SPEED

After this full-day course, you will be amazed to see your confidence growth after each track session. The course includes theoretical and driving sessions with Maserati's top performing models: the Ghibli Trofeo and Levante Trofeo and the MC20 supercar, equipped with the 630 HP 3-litre Nettuno twin-turbo V6 (driven in GT mode only).

Throughout the day, you will be supported by a team of professional instructors who will introduce you to the professional data logger system that will analyse your performance and allow you to fine-tune your driving technique.
