### THE EVOLUTION OF SPEED

The SPORT course is the most advanced one-day driving experience with the fastest models in the Maserati range: the Ghibli Trofeo, Levante Trofeo and the stunning new MC20 (GT and SPORT driving modes only)

Your personal instructor will always be by your side, along with a team of telemetry experts to analyse your data. By the end of the course, you will be able to see how much your driving has improved and how the gap versus the perfect lap has reduced.

Then you will be able to compete against your fellow drivers in a drag racing contest along the main straight of the circuit and also measure yourself in the cornering speed contest.

At the end of the day, the best drivers will receive awards during the closing ceremony.
