# WHEEL RIMS

Add your personal style to your MC20 with the range of exclusive Wheel Rims. The Maserati range of bold, elegant and sporty wheel rims maximizes the vehicle's soul, speed, power and style.

# CARBON WHEEL CENTER CAPS

Strongly evocative of the Maserati performance and sporty soul, the Carbon Fibre Wheel Centre Caps with the iconic Maserati Trident logo as a centerpiece, instill the wheel rims with racetrack energy.

# COLORED BRAKE CALIPER KIT

The flash of Brake Calipers through the wheel rims marks out your MC20 as a true sport car.

Get ready to tailor the calipers to suit your personal style with a range of colours and metallic sheens.

# BRANDED FLOORMATS

Customize your MC20 with the special Maserati branded floormat kit to add an even sportier touch to the interiors. Complemented by a black faux leather insert with diagonal seams and embroidered MC20 logo, the kit consists of two sturdy black carpet floormats. With matching buttons, the floormats attach easily to the car's floor covering it completely and leaving the pedals free of obstruction.

## VALVE CAPS WITH LOGO

No detail is too small to be highlighted. Available in three colour variants (black with silver Trident, black with red Trident, silver with blue Trident), the Branded Valve Cap Kit is distinguished by the iconic Trident logo at the centre.

# BATTERY CHARGER & MAINTAINER

The Battery Charger and Maintainer keeps battery levels between 95% and 100%, topping up with extra charge whenever necessary. It easily attaches to the vehicle's battery and plugs into a standard power socket. It can be connected to the car for long periods without any risk of damage.

# HOMELINK

The Maserati Homelink system allows you to easily open and close gates, garages, your home's security system, and so much more. Even when rushing to your next adventure, have everything under control with just the touch of a button inside the comfort of your MC20.

FUNCTIONALITY

# INDOOR CAR COVER

Cover with style your MC20 with this exclusive Indoor Car Cover. Specifically designed for this super sport car, the cover features the iconic MC20 logo repeated to form an unmistakable camouflage pattern. Made of breathable bi-elastic material and with a soft napped fabric lining it enables a perfect snug fit, maintaining MC20's unique style even when safely covered up in your garage.

# PROTECTIVE FILMS

Essential on a high-performance vehicle, the Protective Films allow to enjoy an exhilarating drive without hesitation, shielding the paintwork from any damage. Make sure you can appreciate the performance that your MC20 has to offer, knowing that your super sport car won't suffer any consequences.

Perfectly transparent and made to measure, they are available in matt or glossy version and can be removed easily without leaving any trace behind.

# LUGGAGE SET

The incomparable luxury of Ermenegildo Zegna Italian design is reflected in this unique luggage set. Made of Nylon and Pelletessuta™ and embellished with a black Trident logo at the front, the set comprises five pieces that fit the MC20 luggage compartment:

- › Holdall
- › Shoe case
- › Garment bag
- › Toiletry bag
- › Mini clutch

# MICROFIBER CLOTH

Keeping your Maserati Touch Control display free from fingerprints is a simple matter with the specific Microfiber Cloth. The new MC20 pattern is specially designed to clean and protect your touchscreen and keep it completely smear-free.

# EMERGENCY KIT

The Emergency Kit contains everything needed to stay safe at the roadside.

Coming in an elegant black case embellished with the Maserati Logo, it fits into the MC20 front bonnet compartment.

The kit includes:

- › Hazard triangle
- › Reflective vest
- › First aid kit
- › Gloves
- › Ice scraper

The items in the kit may vary from country to country.

# SECURITY STUD BOLT KIT

Add more safety to your wheel rims with the black-finished bolts. Functional and paired to the wrench in the kit, they cannot be removed by any other tool. The full kit protects all your wheel rims and includes the wrench and four security bolts.

PERFORMANCE

The image shows the interior of a McLaren MC20, focusing on the two racing seats. The seats are made of black Alcantara with prominent blue stitching in a wavy pattern. The rest of the interior, including the dashboard, steering wheel, and center console, is also black with blue accents. The car is parked in a dark environment, with light coming from the windows, highlighting the texture of the seats and the sleek design of the cockpit.

## MONOCOQUE SPORTS SEATS

Add a touch of race-inspired refinement to elevate the interiors of your MC20. Made of Alcantara, the Monocoque Sports Seats represent an extraordinary combination of luxury and sporty experience.

# CARBON-CERAMIC BRAKE SYSTEM KIT

The Carbon-ceramic Brake System Kit provides the best braking performances with extremely high responsiveness and weight reduction, for an authentic track experience. Take it to the next level by matching the brakes with a flash of your favourite colour on the Brake Calipers.
