Functionality
Luggage Compartment Mat

Shaped as a perfect fit for the loading platform in the luggage compartment, the Luggage Compartment Mat protects the car’s interior from water, dust, and wear and tear thanks to the raised edge. The washable and waterproof material keeps the boot in tip-top condition, in a practical and functional way. The surface features a herringbone pattern, punctuated by the Maserati logo in the middle of the mat. For GranTurismo Folgore, the mat is made from eco-friendly material.
The stability of the items in the luggage compartment when travelling is fundamental for safe and relaxed driving. The Luggage Compartment Net is a simple and very effective accessory which, thanks to its double layer, enables small and medium-sized objects to be secured. The net is fastened using four hooks located in the corners of the luggage compartment floor. The Luggage Compartment Net is not compatible with the Luggage Compartment Mat.
The Foldable Bag is an optimal solution for storing and organizing small to medium-sized objects inside the luggage compartment, while optimizing space thanks to its two modular compartments. Made from recycled materials, the bag is decorated with the embroidered Trident logo on the outside, while the lining and dust bag feature the Trident pattern.

The bag is equipped with velcro straps that allow it to be secured to the carpeting and can be folded up to be used as a briefcase, complete with an umbrella holder and laptop compartment.
The Soft Case allows the storing of small items inside the car. Made from recycled materials, the bag features an internal pocket and is decorated with the embroidered Trident logo on the outside, while the lining is made with the Trident pattern.

The bag attaches to the carpeting with a foldable velcro strap, which also allows it to be used as a convenient beauty case.
The All Season Floor Mats with Edge are the perfect item to protect the car interior and keep it intact over time. Made of waterproof and non-slip rubber, the floor mats effectively shield the interior from water, mud, sand and any other external agents.

Available only for GranTurismo Modena and Trofeo.
The Net for Rear Passengers allows to keep small objects safe, such as your smartphone or wallet. The kit consists of two nets and an application template to facilitate the installation in the passenger compartment.
The Outdoor Car Cover protects the car from dust, scratches and weathering, and at the same time enhances the silhouette of the GranTurismo. Waterproof, breathable and elastic, the cover features a minimalist design, customised with contrasting details on the headlights and side vents, and embellished with the wording “GranTurismo” on the side.
The Key Cover has been designed to perfectly complement your vehicle’s interior. Made of premium leather, the key cover is adorned with the iconic Trident emblem on the front, tone-on-tone stitching and decorations that mirror the key’s contours.

The Folgore version of the key cover is crafted from faux leather and, for an extra level of sophistication, it is decorated with copper stitchings. With replicated key buttons on the back, you can effortlessly access all of your key’s features without the need to remove it from the cover. Plus, the chrome ring allows you to conveniently use it as a practical keychain.
Designed for your smaller passengers, the Maserati Childseats are based on the quality, design and passion typical of the brand’s style.

Conceived to fit perfectly into your Maserati, the childseats are available in two configurations: Group 0–4y (from birth, up to about 4 years) and Group 15m–12y (from 15 months to 12 years), approved to the UN R129/00 and R129/03 standards respectively.

Crafted from breathable fabric with memory foam inserts, both seats are customised with the Trident logo on the headrest and “Maserati” on the safety belt shoulder straps.

They come complete with an ISOFIX base.

Restrictions may apply to specific markets. Ask your dealer for more information.

GR. 0-4 YEARS
The Group 0–4 year features a 360° rotation function that makes it easy to sit the child in the car and use the seat both in both a front-facing and rearing-facing position. The indicators on the ISOFIX base and the lever at the front make operating the seat functions easy.

GR. 15 MONTHS - 12 YEARS
The Group 15 months - 12 years features an innovative and exclusive sound system built into the headrest, allowing small passengers to enjoy the journey while listening to their own music with a safe, protected posture.
The Emergency Kit contains everything needed to stay safe at the roadside. Coming in an elegant black case embellished with the Maserati Logo, it fits into the luggage compartment. The kit includes: Hazard triangle, Reflective vest, First aid kit, Gloves, Ice scraper. The items in the kit may vary from country to country.
A compact and user-friendly device, the Battery Charger & Maintainer keeps the charge level of your car battery always in optimal condition, between 95 and 100%, and charges it when required.

The device does not need to be programmed: just connect the car battery to a standard power socket, and you may leave it connected for several months without any risk of damage to the vehicle.
The Security Stud Bolt kit makes the vehicle more secure against the risk of wheel rim theft, as the wheels may be fitted and removed only using the special wrench provided in the kit. The stud head features a special design that combines an appealing look with the greatest functionality.
Available in matte or glossy version, the Protective Films equip you to tackle the most difficult roads without fear of damaging the bodywork. Perfectly transparent and made to measure, they can be easily applied with water without leaving any traces. The kit covers covers the front and rear wheel arch moulding, the side skirt.
Specially designed for the GranTurismo, the Screen Protective Film preserves the integrity of the navigation system screen over time. The film is easy to apply and protects the screen from scratches, fingerprints and surface stains.
Keeping your Maserati Touch Control Display free from fingerprints is a simple matter with the Microfiber Cloth. The new cloth is specially designed to clean and protect your touchscreen and keep it completely smear-free.
