Ghibli

Ghibli.

You're not like everyone else.

Bold, graceful, assertive and elegant, the Maserati Ghibli offers something unique in a world of conformity.

The Ghibli delivers the comfort you would expect in a luxury sports sedan — yet it distinguishes itself with razor-sharp, sports car handling. This balance, a signature of Maserati, is a source of endless inspiration — whether you are heading to the office or breaking loose for an exhilarating drive.

A core offering of all Maserati vehicles is the ability to deliver a dynamic, yet refined drive at high speeds. With the Ghibli, the power that achieves this comes from a choice of V6 or V8 petrol engines, and a hybrid version.

Three exclusive new trims have been introduced as part of the new 2022 Ghibli Range: GT, Modena and Trofeo.

The GT trim elegantly underlines the original Maserati grand touring philosophy and embodies the brand's more urban and contemporary spirit. For Ghibli, this means travelling at high speeds in absolute comfort.

The Modena trim places the Ghibli sporty character at center stage, while with the Trofeo trim, the coupe look of the Ghibli is intensified by race-inspired design elements putting the focus on performance, without sacrificing comfort.

In terms of exteriors, the three new trims introduced a new Maserati logo on the bonnet and a new specific badge for each trim version placed just above the three iconic side air vents.

At the rear, the traditional saetta logo has been replaced by a new Trident logo on the C-pillar, while a new Maserati script takes stage on the trunk.

Talking about interiors, the new 2022 Maserati Ghibli Range features a redesigned Trofeo logo on the headrests and the new Maserati lettering on the 10.1-inch frameless HD screen, where the Maserati Intelligent Assistant (MIA) multimedia system will make the driving experience even more intuitive and engaging.

Whatever your choice or ambition, Maserati Ghibli always offers a uniquely inspirational answer.
