MC20 - ITALIAN BORN, RACING INSPIRED

PUSHING THE BOUNDARIES AWAY

Your MC20 has been engineered to perfection to assure you the ultimate level of driving, regardless of how far you travel, or how fast you choose to drive.

We believe that nothing should compromise the emotions that your MC20 delivers, this is why we have created a dedicated program, which offers the exclusive pre-paid maintenance Maserati Premium Service.

Take the comfort to know that your MC20 superb performances are maintained thanks to the service carried out at the right time by our skilled technicians with Maserati Genuine Parts.

THOROUGHLY REASSURING

The MC20 Premium Service covers from 3 up to 7 services, and includes several components as detailed in your car's official maintenance schedule, in detail: oil filter, air filter, pollen filter, spark plugs, consumables, inspections, gearbox filter, suction filter, battery TBM2 and belts.* Work is always carried out by highly qualified and technically advanced Maserati personnel with Maserati Genuine Parts.

PRICING CERTAINTY

The fixed pricing structures in our programs means that you always know what you'll be paying for spare parts, consumables and labor. That way, there are no unwelcome surprises.

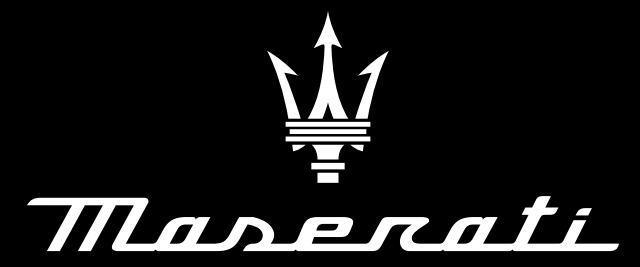

COMPLEMENTARY PICK UP & DELIVERY SERVICE*

We know how valuable and important your time is, this is why we have included in the program the convenience of Pick up and Delivery Service. You will only have to book your service and our official dealership will take care of the Pick up and Drop off of your Maserati at your preferred address. For an even greater peace of mind we also offer Maserati loaner cars to allow you to keep taking care of work, family and fun.

*Please refer to the official Maserati dealership for additional information about coverage, restrictions and details.
