# Grecale. Everyday Exceptional.

In celebration of the launch of the all-new Maserati Grecale SUV, Maserati unveils the exclusive Grecale PrimaSerie. These 1,000 Grecale vehicles will be among the first produced as part of this special series launched worldwide.

The name Grecale PrimaSerie expresses the brand's Italian heritage. Maserati continues the tradition of naming cars after the most famous winds in the world. Grecale is named after the fierce north-east wind of the Mediterranean Sea and PrimaSerie exudes the exclusiveness of being one of the first to get your hands on this new model.
