GT2 STRADALE MAINTENANCE PROGRAM

UNLEASH THE EXTRAORDINARY

Your Maserati GT2 Stradale is the pinnacle of engineering excellence, designed to deliver unparalleled driving pleasure, no matter the distance or speed.

To maximize your experience, we offer a tailored Maintenance Program that guarantees the exceptional performance of your vehicle is always preserved. All services are performed by our skilled technicians using only Maserati Genuine Parts.

Focus on the thrill of the drive - your GT2 Stradale is in the best hands.

UNMATCHED CARE

The Maintenance Program covers 3 services and includes all the components specified in your vehicle's maintenance plan.

We understand how valuable and important your time is. That's why our program includes the convenience of a Pick-up & Delivery Service. Simply book your service, and your official Dealership will handle the pick-up and drop-off of your Maserati at your preferred address. For even greater peace of mind, we also offer Maserati courtesy cars, allowing you to continue taking care of work, family, and fun without interruption.
