Perfectly engineered for a spectacular driving feel

Endless possibilities

The new Grecale is powered by the spirit of everyday adventure with everything you would expect of a Maserati SUV.

The Grecale features only our latest engine capabilities. Besides the 300 or 330 CV mild hybrid propulsion comes the super powerful yet efficient 530 CV V6 Nettuno engine or the all-new 100% electric battery version with 550 CV.

Your World, Trident Driven

Where Italian appeal meets dynamic possibilities. Artisan innovation and thrilling performance unite with top-class roominess and refined comfort in the Grecale SUV. Find your constant inspiration in a world of motion.

One new trim joins the collection

Four exclusive trims are part of the Grecale Range, engineered for every driving desire.

Grecale

Maserati, with the Grecale trim, is thinking about cosmopolitan characters with a dynamic lifestyle who seek something in materials and textures that will evoke a feeling of home even when driving long distances.

trofeo

Trofeo trim is made for drivers who adore sports and great performances. A cool appearance paired with an engine of irresistible power. The exposed carbon fiber has a texture verging on the three dimensional, the tactile look evokes almost a raw material effect.

Modena

Modena trim is made for people whose lifestyle is sportier and spend more time outdoors following their passions. For the Modena trim, the Brand has in mind people who cover high mileages, use their car for travel, a highly dynamic person, always on the move.

Folgore

Folgore is the Italian word for lightning, the representation of Maserati's full-electric metamorphosis. The application of new materials and intriguing color schemes denote this new energy across every iconic Maserati design element.

Grecale

Max power	Max speed	Acceleration	Engine layout	Traction	Max torque
300 cv	240 km/h	5.6 _{sec} 0-100 km/h	L4	AWD	450 Nm

The detailed list of fuel consumption and emissions can be found on page 54 of this brochure.

Grecale

The Grecale trim, powered by a four-cylinder mild hybrid engine capable of delivering 300CV, elegantly underlines the original Maserati charm and elegance. With sculpted lines and perfectly balanced proportions, the Grecale blends timeless elegance with intelligent practicality and top-class spaciousness. Standard aluminum paddle shifters underline the sporty soul of the Grecale.

Modena

Max power	Max speed	Acceleration	Engine layout	Traction	Max torque
330 cv	240 km/h	5.3 _{sec} 0-100 km/h	L4	AWD	450 Nm

The detailed list of fuel consumption and emissions can be found on page 54 of this brochure.

Grecale Modena

An innovative display of Maserati performance. For the sporty soul who is always on the move. Inspired by Italian architecture, the interiors feature an embroidered graphic motif combined with a rare, gray tone wood with an open-pore finish enhances the tactile experience. The body features 20" or 21" alloy wheels, gloss black finish logos, front splitter, grille, window shades and inserts on the side skirts and dark exhausts.

Trofeo

Max power	Max speed	Acceleration	Engine layout	Traction	Max torque
530 cv	285 km/h	3.8 _{sec} 0-100 km/h	V6	AWD	620 Nm

The detailed list of fuel consumption and emissions can be found on page 54 of this brochure.

Grecale Trofeo

Exceptional driving, every day, anytime.

The driveshaft made in carbon fiber and the extensive use of materials like aluminum contribute to a top-class power to weight ratio, acceleration and speed. Such as the exposed, threedimensional carbon fiber and perforated leather pair with chevron motifs intensifying the car's dynamism.

Folgore

Max power	Max speed	Acceleration	Engine layout	Traction	Max torque
550 cv	220 km/h	4.1 _{sec} 0-100 km/h	Dual Motor	AWD	410 Nm

The detailed list of fuel consumption and emissions can be found on page 54 of this brochure.

Grecale Folgore

Bold Maserati design embraces electric innovation, inspiring a contemporary new range of colors and materials that breathe Folgore. From the coppery Rame Folgore shade to the interiors created with the regenerated nylon fiber ECONYL®, the Grecale Folgore breathes pure electric beauty. It exudes cutting-edge innovation, 100% Made in Italy.

A distinctive invitation

The Grecale embraces a new luxury paradigm made of tradition, innovation, and concrete vision. Every detail has a purpose. Every function expresses emotion, down to the smallest details.

Aesthetic purity continues in the interiors where digital minimalism blends with handcrafted engineering. This is where Maserati heritage, territory and sartorial excellence gets reinterpreted through innovative processing of colors, textures, materials, and finishes.

Grecale Design: Your Urban Oasis

Cosmopolitan and modern. Italian and timeless. This creative contrast animates Grecale, the Trident's luxury SUV. Its sculpted lines fuse essential iconic design elements with an audacious, contemporary outlook. Purity of shape, free of ostentation. Extraordinary never follows trends.

Quintessentially Maserati

The trident on the front grille leads the eye upward to the vertical full led headlights.

Turn back

Inspired by the Giugiaro 3200 GT, the boomerang shaped taillights integrate seamlessly with the Grecale's clean lines. On the lower, more technical part, the designed exhausts visually describe the roaring Maserati sound.

A bold look forward

Led technology with a design signature originally introduced by the iconic MC20 super sports car. The Grecale's headlights perfectly fit with its more vertical body shape.

Your Living Room on Wheels

Relax with top-class roominess in your new everyday haven. Inside, every detail has a purpose, and every function expresses emotion to spark moments of pure delight. From the finest leathers to the most exquisite accents, Italian craft brightens every journey for memorable experiences everyday.

A bright welcome

Grecale's sunroof floods the cabin with natural light, enhancing the sense of space and luxury. The Grecale's sunroof in tinted safety glass – standard on the Trofeo version – is power controlled and can be in the “open”, “vent” or “close” position. A refreshing, spacious interior where noble materials complement innovative techniques to convey a feeling of complete harmony.

Contemporary elegance

Clearly italian in aesthetic and intention, even the simplest knob serves as a canvas for artisan craft to make a bold statement of exclusivity.

Effortless Power, Absolute Command

Petrol, mild hybrid and full-electric, the Grecale was engineered with diverse propulsion types to satisfy every driving desire.

Two systems in one engine

The Grecale features only our latest engine capabilities. Besides the 300 or 330 CV mild hybrid propulsion comes the super powerful yet efficient 530 CV V6 Nettuno engine or the all-new 100% electric battery version with 550 CV.

Performing yet efficient

Turbocharged four-cylinder engine with mild-hybrid technology, combining efficiency with dynamic performance.

Pure Maserati Performance

Evolutionary, racing-bred power adds an exhilarating full-electric charge to the everyday, for up to 580 km of autonomy. The Folgore powertrain delivers instant torque and all-electric performance, combining Maserati's signature driving dynamics with next-generation innovation.

Pure driving pleasure

Intuitive and intelligent technology are seamlessly integrated in grecale to simplify your everyday for a more enjoyable drive. Smart safety features and connectivity are designed for urban living to infuse every outing with effortless italian style. Enjoy the luxury of being in control, anytime and anywhere you desire through your smartphone, smartwatch, or virtual assistant.
