

GT Am

Warm Up on track

Spend half a day on the track in this course and experience the excitement of driving two powerful Maserati models around the technical circuit "Riccardo Paletti" in Varano de' Melegari. The journey will be a fascinating one, where you will be given personal insight and learn the secrets of racetrack driving through the cutting-edge performance of the GranTurismo Trofeo and the MC20, both powered by the V6 Nettuno engine, featuring 550HP and 630HP respectively.

With the support of a professional team of instructors, you'll learn how to master the car and then compete for the telemetry contest, to measure the quality of your drive against others, by means of the data analysis.

The best three drivers of the day will be awarded at the end of the program.

The final GT Race Simulation aboard the GT2 Stradale driven in Race mode by professional drivers, will boost your adrenaline and top off your day on track.

Warm Up on track

HALF DAY PROGRAM

- 12.00pm** Arrival at the circuit and registration of participants.
- 12.30pm** Essential theory session focused on:
- Driving seat position and correct use of the car's controls
 - Racing lines, braking procedures and visual targeting
 - Rules of the quality drive contest.
- 1.00pm** Buffet lunch at the Maserati hospitality lounge.
- 1.50pm** Warm up sessions: start of dynamic activities with MC20 and GranTurismo Trofeo. Demonstration laps with a professional driver, followed by the first driving session for each participant.
Circuit familiarization: braking zones, racing lines, acceleration out of corners.
- 2.50pm** Split of participants in groups.
To minimize the waiting time, activities take place on a rotational basis.
Multiple driving sessions per driver with MC20 and GranTurismo Trofeo, onboard video recording and data acquisition for later analysis.
This allows the instructor to monitor how well the exercises have been carried out and to evaluate the participant's progress.
Quality drive contest with telemetry data analyzed by the instructor.
- 4.50pm** GT Race Simulation.
The professional drivers will simulate the main phases of a real GT race with the participants sitting as passengers on board of the GT2 Stradale, to live the thrill of a rolling start, fast cornering, hard braking and extreme overtaking with the Maserati super sports icon.
- 5.50pm** Diploma delivery & awards presentation to the best three drivers of the day.
- 6.15pm** End of the program.

Timetable and program may be subject to change.

We look forward to seeing you at the track:
Autodromo Riccardo Paletti, Strada per Fosio, 1 43040 Varano de' Melegari (PR), Italy
